

Lesson Plan Template

- I. Lesson Title
- II. Place in the Unit (e.g. Day 3, Day 5...)
- III. Standard(s) Addressed (Iowa Core, NCSS/NCTM)
- IV. Performance Objectives (Students will be able to _____ by _____)
- V. Key Concepts/Main Ideas/Vocabulary
- VI. Materials Needed (supplies, web addresses, readings, etc.)
- VII. Engaging Students (What will you do to “invite” students to the lesson and motivate them to learn? How will you make a meaningful connection? Why is this important, interesting, or helpful? How will you introduce the day’s agenda to the students?)
- VIII. Procedures (Be specific here: What happens first? How will that happen? Who needs to do what? Don’t miss a step!). List in ordered steps: 1., 2., 3., etc.
- IX. Evaluation: How will you know if students met the objective(s) of the lesson? What will you do if they don’t meet the objective?
- X. Closure: How will you review what happened in the lesson with students? What is going to happen next?
- XI. Homework? Extension of concepts? What can students do to extend their understanding of the topic? What can they do at home with little adult guidance?
- XII. Include all handouts needed for this lesson (readings, worksheets, etc.)
